Total of Improved road mileage (add C,E,F,G-1,G-2,&J)	381.014	-14.962		-1.072	-2.165		+2.165	+4.888	-15.546	365.468
(B) Unimproved	0.000									
* TOTAL MILEAGE (Add Total of Improved & Unimproved Mileage)	381.014									365.468

WARNING: This Total Mileage also does not represent all mileage in the area of jurisdiction. It does not include, for example, city streets, private roads, Forest Service or BLM roads, or any other roads that may exist, but are not considered (by the jurisdiction) to be part of that jurisdiction's road system. There are, usually, many miles of roads in existence beyond those included in this report.

I certify that the information contained herein is correct to the best of my knowledge and belief.
